For two publications of ordinary Directory in English Govt. paid Rs 975 last year to the authors as an encouragement.

8) Mr Gundappa's proposal to publish a Mysore Year Book is new and promises to be more comprehensive. It is proposed to be published both in English & Kannada and I believe the latter will prove more largely useful. Each copy will be priced at one Rupee. and Mr Gundappa requests that Govt. may be pleased to purchase 300 copies of the English Edition & 500 Copies of the Kannada.

9) The total cost will be only Rs 800 as against Rs 975 spent on Directory and in view of the venture being new, the encouragement asked for appears to me to be reasonable.

10) Without an assurance of such encouragement beforehand, the new venture cannot be reasonably expected to succeed.

No Kannada publication is given under a similar encouragement

11) There is a provision of Rs 7000 under Books, Maps &c. - 26 Mis B, much of which is still available.

Kindly see orders at the end of this Govt. 26.11.14 D

12) The applicant may be informed that Govt. will be prepared to grant the request if the publications are got ready before the end of June next according to a table of contents to be approved by Govt. on receipt of a draft from Mr Gundappa.

17th November 1914.

To,

The Secretary to the Govt. of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

I intend bringing out a Mysore Year Book for 1915, compiled on the model of well-known Year Books. Every care will be taken to make the publication reliable, comprehensive and uptodate; and besides giving statistical and general information, it will ~~also~~ contain some articles of special interest. The book will be issued before the end of January 1915 and will be in both English and Kannada (in separate volumes). The price in each case is expected to be about one rupee per copy.

2. The attempt being the first of its kind and the conditions of the Printing Trade being somewhat hard on account of the War, the cost of production is likely to be more heavy than under ordinary circumstances. In consideration of this fact and of the present state of the reading

My dear Sir,

With reference to the enquiry from your office (No. S 8647 of 11th Febry '15) regarding the issue of the Year Book, you may remember that some days back in the course of a conversation I told you that, owing to some difficulty connected with printing, the work was delayed and that it could be completed by the end of February. But I am sorry to say that owing to serious ill-health during the whole of the past fortnight.

I could not make satisfactory progress. The major portion of it is finished and what remains to be done is merely the printing of ~~a few~~ some 20 or 30 pages and binding. This I hope to complete in a week or at most two weeks, and to submit the English edn. ~~by~~ about the 15th instt and the Kannada Edn about the end of the month. I hope you will sympathise with me in my difficulties and allow me the time asked for.

If necessary this letter may be treated as demi-official or, if you please let me know, I shall write a more formal reply.

With sincere regards

Yours ever,

D. V. Gundappa

Sir,

In accordance with your kind order of 28.11.'14 (no G. 5516/Gen. 231-14-2) I beg to send herewith one hundred and fifty (150) copies of the "Karnataka Year Book, 1915" for your kind acceptance, enclosing also a bill for the same.

2 As the volume of the book has exceeded the size originally proposed and as the cost of printing materials has since risen high owing to the War, my cost of printing has increased very much; and I am therefore obliged to fix the price at Re 1-4-0 per copy. I hope this will meet with your approval.

3 As regards the Kannada edition, I have already

explained the difficulty to you in person and I represented the same also to the Diwan Sahib last Friday. The printing of it presents some peculiar difficulties owing to the presence of a large number of tabular statements; and I hope to be able to finish it by the end of this month.

Thanking you for kindly accepting this and favouring me with the amount at an early date,

Sir,

Herewith I beg to submit an "advance" copy of the Kannada Year Book, of which You were kind enough to agree to purchase 500 copies, when published, (vide Your favour of 28-11-1914 No. G. 5576/Fin. 231-14-2). I very much regret the delay that has occurred in its publication. From the copy enclosed, it will be seen that the work is now complete except for the title-page and a short appendix which too are in print, but could not be bound together as the ink is not yet dry.

The binding process will be over in 4 or 5 days and I hope to deliver the 500 copies before the expiry of this week.

In the meantime, as the current official year is drawing to a close, I beg to be permitted to hand in the bill of cost, amounting to Rs. 625/- As in the case of the English edition, 150 copies of which have already been taken (vide No. G.11829/231-14-13 of 30th April '15), the price now charged is Re. 1-4-0 per copy. I might also submit that the size of the present edition is bigger than that of the English edn. of which this is a faithful rendering. I request you to kindly accept the publication and sanction the bill.
